mode

HC-2642 (4372)

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: chrome, black
- ceramic head
- **detachable spout**
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height without spout detaching: 43cm
- depth: 24cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2642 GOLD (7634)

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: gold, black
- ceramic head
- **detachable spout**
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height without spout detaching: 43cm
- depth: 24cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2646 (1954)

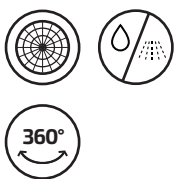

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: matte black
- ceramic head
- **detachable spout**
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height without spout detaching: 43cm
- depth: 24cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3179 (7635)

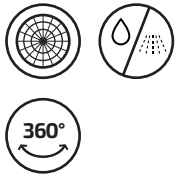

Specifications

- material: **brass**, chrome
- colour: chrome
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 83cm
- **corrosion protected**
- height: 43cm
- depth: 22cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3179 GOLD (4374)

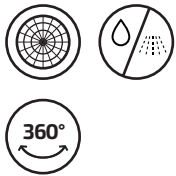

Specifications

- material: **brass**, chrome
- colour: gold
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 82cm
- **corrosion protected**
- height: 38cm
- depth: 22cm
- width: 11cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3179 BLACK (10743)

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 82cm
- **corrosion protected**
- height: 38,5cm
- depth: 22,5cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3005 (1288)

Specifications

- material: **brass**
- colour: matte black
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 82cm
- **corrosion protected**
- height: 38,5cm
- depth: 22cm
- width: 11cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3023 (1287)

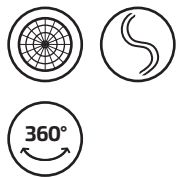

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height: 27,5cm
- depth: 22cm
- width: 9cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3175 (4375)

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: chrome, black
- ceramic head
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height: 52cm
- depth: 15cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2634 (1289)

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height: 30cm
- depth: 18cm
- width: 8,5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2641 (1958)

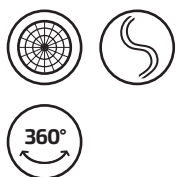

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: chrome, black
- ceramic head
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height: 52cm
- depth: 18cm
- width: 18cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2641 WHITE (7636)

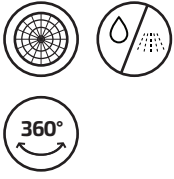

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: chrome, white
- ceramic head
- **corrosion protected**

- blue and red dot signifying cold and hot water direction
- height: 52cm
- depth: 18cm
- width: 18cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3008 (11533)

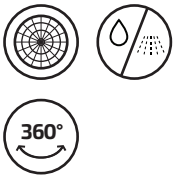

Specifications

- material: **brass**
- colour: matte black
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 95cm
- **corrosion protected**
- height: 43cm
- depth: 25cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3170 (12612)

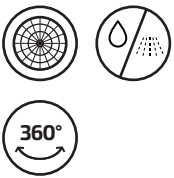

Specifications

- material: **brass**, steel, high-quality plastic
- colour: matte black
- ceramic head
- **detachable spout allows you to change the direction of the water**
- **spout stabilizing holder**

- blue and red dot signifying cold and hot water direction
- **corrosion protected**
- height without spout detaching: 52cm
- depth: 26,5cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3012 (1290)

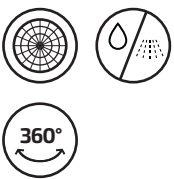

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- spout hose max length: 80cm
- **corrosion protected**
- height without spout detaching: 35cm
- depth: 23cm
- width: 10cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3009 (11534)

Specifications

- material: **brass**, chrome, high-quality plastic
- colour: chrome, matte black
- ceramic head
- **pull-out spout allows you to change the direction of the water**
- adjustable radius with a pulling-out hose

- blue and red dot signifying cold and hot water direction
- spout hose max length: 90cm
- **corrosion protected**
- height: 20cm
- depth: 20,5cm
- width: 5cm
- two 50cm spray hoses with 1/2" female threaded connector

Bathroom faucets

Bathroom faucet
HC-3184

Adopted
symbols:

aerator

HC-3184
(1286)

Specifications

- material: **brass**, chrome
- colour: chrome
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- **waterfall spout**
- height: 18cm
- depth: 16cm
- width: 4,5cm
- spout width: 6cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3184
BLACK
(10744)

Specifications

- material: **brass**
- colour: matte black
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- **waterfall spout**
- height: 18cm
- depth: 16cm
- width: 4,5cm
- spout width: 6cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-2634
(1289)

Specifications

- material: **brass**, chrome
- colour: chrome
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 17cm
- depth: 17cm
- width: 5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3010
(992)

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**
- **cascade spout**

- blue and red dot signifying cold and hot water direction
- height: 30cm
- depth: 17cm
- width: 4,5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3183 GOLD (8721)

Specifications

- material: **brass**, high-quality plastic
- colour: gold
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 30cm
- depth: 18cm
- width: 5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3077 (991)

Specifications

- material: **brass**, high-quality plastic
- colour: gold
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 17cm
- depth: 14cm
- width: 5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3019 (4377)

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 30cm
- depth: 16cm
- width: 5cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3024 CHROME (10742)

Specifications

- material: **brass**, chrome
- colour: chrome
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 12cm
- spout length: 20cm
- spout diameter: 2,3cm
- connecting component with 1/2" male threaded connectors

HC-3024 (1957)

Specifications

- material: **brass**
- colour: matte black
- ceramic head
- **corrosion protected**
- blue and red dot signifying cold and hot water direction

- height: 11cm
- spout length: 20cm
- spout diameter: 2,2cm
- connecting component with 1/2" male threaded connectors

HC-3169 (4376)

Specifications

- material: **brass**, chrome
- colour: chrome
- ceramic head
- **corrosion protected**
- height: 10 cm
- width: 18cm
- depth: 18cm

- blue and red dot signifying cold and hot water direction
- shower handheld height: 23cm
- shower handheld width: 6,5cm
- hose length: 150cm
- connectors spacing: 15cm
- 3/4" male threaded connectors

HC-2675 (4373)

Specifications

- material: **brass**, steel, high-quality plastic
- colour: chrome
- ceramic head
- **corrosion protected**
- height: 17,5cm
- width: 5cm
- depth: 15cm

- blue and red dot signifying cold and hot water direction
- shower handheld height: 22cm
- shower handheld width: 6,5cm
- hose length: 150cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3183 (1956)

Specifications

- material: **brass**, steel, high-quality plastic
- colour: chrome
- ceramic head
- **corrosion protected**
- spout height: 13cm
- spout width: 4cm
- spout depth: 26cm

- blue and red dot signifying cold and hot water direction
- shower handheld height: 26cm
- shower handheld width: 6,5cm
- hose length: 150cm
- two 50cm spray hoses with 1/2" female threaded connector

HC-3157 (1291)

Specifications

- material: **brass**, steel, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**
- hose length: 150cm

- blue and red dot signifying cold and hot water direction
- height: 87cm
- depth: 30cm
- width: 15cm
- two 85cm spray hoses with 1/2" female threaded connector

HC-3128 (8719)

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **corrosion protected**
- hose length: 150cm

- blue and red dot signifying cold and hot water direction
- height: 115cm
- depth: 21cm
- width: 15cm
- two 85cm spray hoses with 1/2" female threaded connector

Shower faucets

Shower faucet
HC-3146

HC-3146 (1955)

Specifications

- material: **brass**, high-quality plastic
- colour: matte black
- ceramic head
- **slim rain shower head with silicone nozzles**
- **thermostatic mixer**
- modes: handheld/rain shower
- adjustable handle (up/down)

- rotating and tilting rain shower head
- total height: 72cm
- total depth: 45cm
- total width: 26cm
- rain shower head: 20x20cm
- hose length: 150cm
- shower handheld: 24x9cm
- water mixer: 3,5x26x4,5cm
- connectors spacing: 15cm
- 3/4" male threaded connectors

HC-3009 (1292)

Specifications

- material: **brass**, chrome high-quality plastic
- colour: chrome
- ceramic head
- modes: handheld/rain shower
- **thermostatic mixer**
- adjustable handle (up/down)
- rotating and tilting rain shower head

- total height: 121cm
- total depth: 44cm
- total width: 27,5cm
- rain shower head: 21,5x21,5cm
- hose length: 150cm
- shower handheld: 24x8cm
- water mixer: 4x27,5x4cm
- connectors spacing: 15cm
- 3/4" male threaded connectors

HC-2866 (990)

Specifications

- material: **brass**, steel high-quality plastic
- colour: gold
- ceramic head
- modes: handheld/rain shower
- **flush mount water mixer**
- **slim rain shower head with silicone nozzles**
- wall mount rain shower head

- rotating and tilting rain shower head
- total depth: 50cm
- rain shower head: 20x20cm
- hose length: 150cm
- shower handheld: 20x2,5cm
- water mixer: 18x12cm
- connecting component with 1/2" male threaded connectors

HC-3182 (989)

Specifications

- material: **steel**, high-quality plastic
- colour: silver
- modes: handheld/rain shower/hydromassage
- height: 150cm
- width: 20cm
- depth: 45cm

- **rain shower head and handheld with silicone nozzles**
- shower handheld: 20x5,8cm
- hose length: 150cm
- two 50cm spray hoses with 1/2" female threaded connector
